New Zealand Export Credit

If you're an exporter or supplier that's landed a deal, this is an exciting time for your business. There'll be a lot of detail to work through and you may have the following questions keeping you up at night...

- How will I manage cash-flow?
- Am I covered in case of non-payment?
- How can I scale my business for growth?

New Zealand Export Credit is here to help.
Turn over to find out how.

New Zealand Export Credit

Helping exporters and their suppliers grow through financial guarantees and insurance when a bank or insurer may not be able to help.

Solutions that let you:

Manage cashflow

Producing your export product or service can create financial challenges. We can help you manage these challenges with access to additional working capital.

Protect income

Non-payment is every business's worst nightmare. Our Trade Credit Insurance reduces this risk and provides protection for non-payment and order cancellation.

Grow your business

We can act as a guarantor for your bank so that you can access additional bank facilities to help your business scale up.

To find out if we can help with your export deal, get in touch today.
